Judy's actions set a precedent that fundamentally improved rights for disabled people. As a young woman, Judy rolled her wheelchair through the doors of the US Department of Health, Education and Welfare in San Francisco as a leader of the Section 504 Sit In, the longest takeover of a governmental building in US history. Working with a community of over 150 disabled activists and allies, Judy successfully pressured the Carter administration to implement protections for disabled people's rights, sparking a national movement and leading to the creation of the Americans with Disabilities Act.

Candid intimate and irreverent. Judy Heumann's memoir about resistance to exclusion invites readers to imagine and make real a world in which we all belong.

Nightfall Jake Halpern, Peter Kujawinski, 2015-09-22 The dark will bring your worst nightmares to light in this gripping and eerie survival story. On Marin's island, sunrise doesn't come every twenty-four hours; it comes every twenty-eight years. Now the sun is just a sliver of light on the horizon. The weather is turning cold, and the shadows are growing long. Because sunset triggers the tide to roll out hundreds of miles, the islanders are frantically preparing to sail south where they will wait out the long Night. Marin and her twin brother Kana help their anxious parents ready the house for departure. Locks must be taken off doors, furniture must be arranged, tables must be set. The rituals are puzzling, bizarre even, but none of the adults in town will discuss why it has to be done this way. Just as the ships are about to sail, a teenage boy goes missing. The twins' friend Line, Marin and Kana are the only ones who know the truth about where Line's gone, and the only way to rescue him is by doing it themselves. But Night is falling. Their island is changing. And it may already be too late.

It reminds her of how she and Kayla used to be all those years ago. Because Esme and Kayla have kept a terrible secret, they vow that this summer will be awesome: two months of sun, smores, and flirting with the cute boy counsellors. Until they receive a stark message: THE LAKE NEVER FORGETS. The secret they've kept buried for so many years is about to resurface.
